

“Run for Ben”

BayState Marathon

On Sunday, October 21st, Pam Davis, Ben's teaching assistant and Jan Crew-Wade, Ben's physical therapist, will run the Baystate Marathon.

Their mission:
Complete the 26.2 mile run.

Their motivation:
Ben and his contagious laugh, brilliant smile
and bravery.

Their hope:
That every dollar they raise will bring researchers
closer to curing Sanfilippo Syndrome.

100% of the proceeds from the marathon fund-raiser will go to Ben's Dream: The Sanfilippo Research Foundation. Ben's Dream is a public 501(c)(3) corporation so your gift is tax deductible under IRS code.

“The thousand mile journey begins with just one step.”

Please support Jan and Pam as their athletic journey to complete the marathon brings Ben one step closer to the future he deserves.
